

**REMARKS**

This Amendment is filed in accordance with 37 C.F.R. §41.33(b)(2). Claims 35 and 36 have been cancelled without prejudice. Claims 22, 37 and 38 have amended to correct a typographical error concerning the language that formulates the acronym "PCI". These claims have been amended to denote that "PCI" stands for "Peripheral Component Interconnect."

As permitted by 37 C.F.R. §41.33(b)(2), Appellant respectfully requests the Examiner to enter the claim amendments and move the case forward on appeal.

***Conclusion***

Appellant respectfully requests that the Examiner to reconsider the rejections and issue a timely Notice of Allowance.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP

Dated: February 24, 2010
